On an endless search

We humbly follow with despair

Hoping to find understanding.

We talk, we listen.

Yes, we will find it.

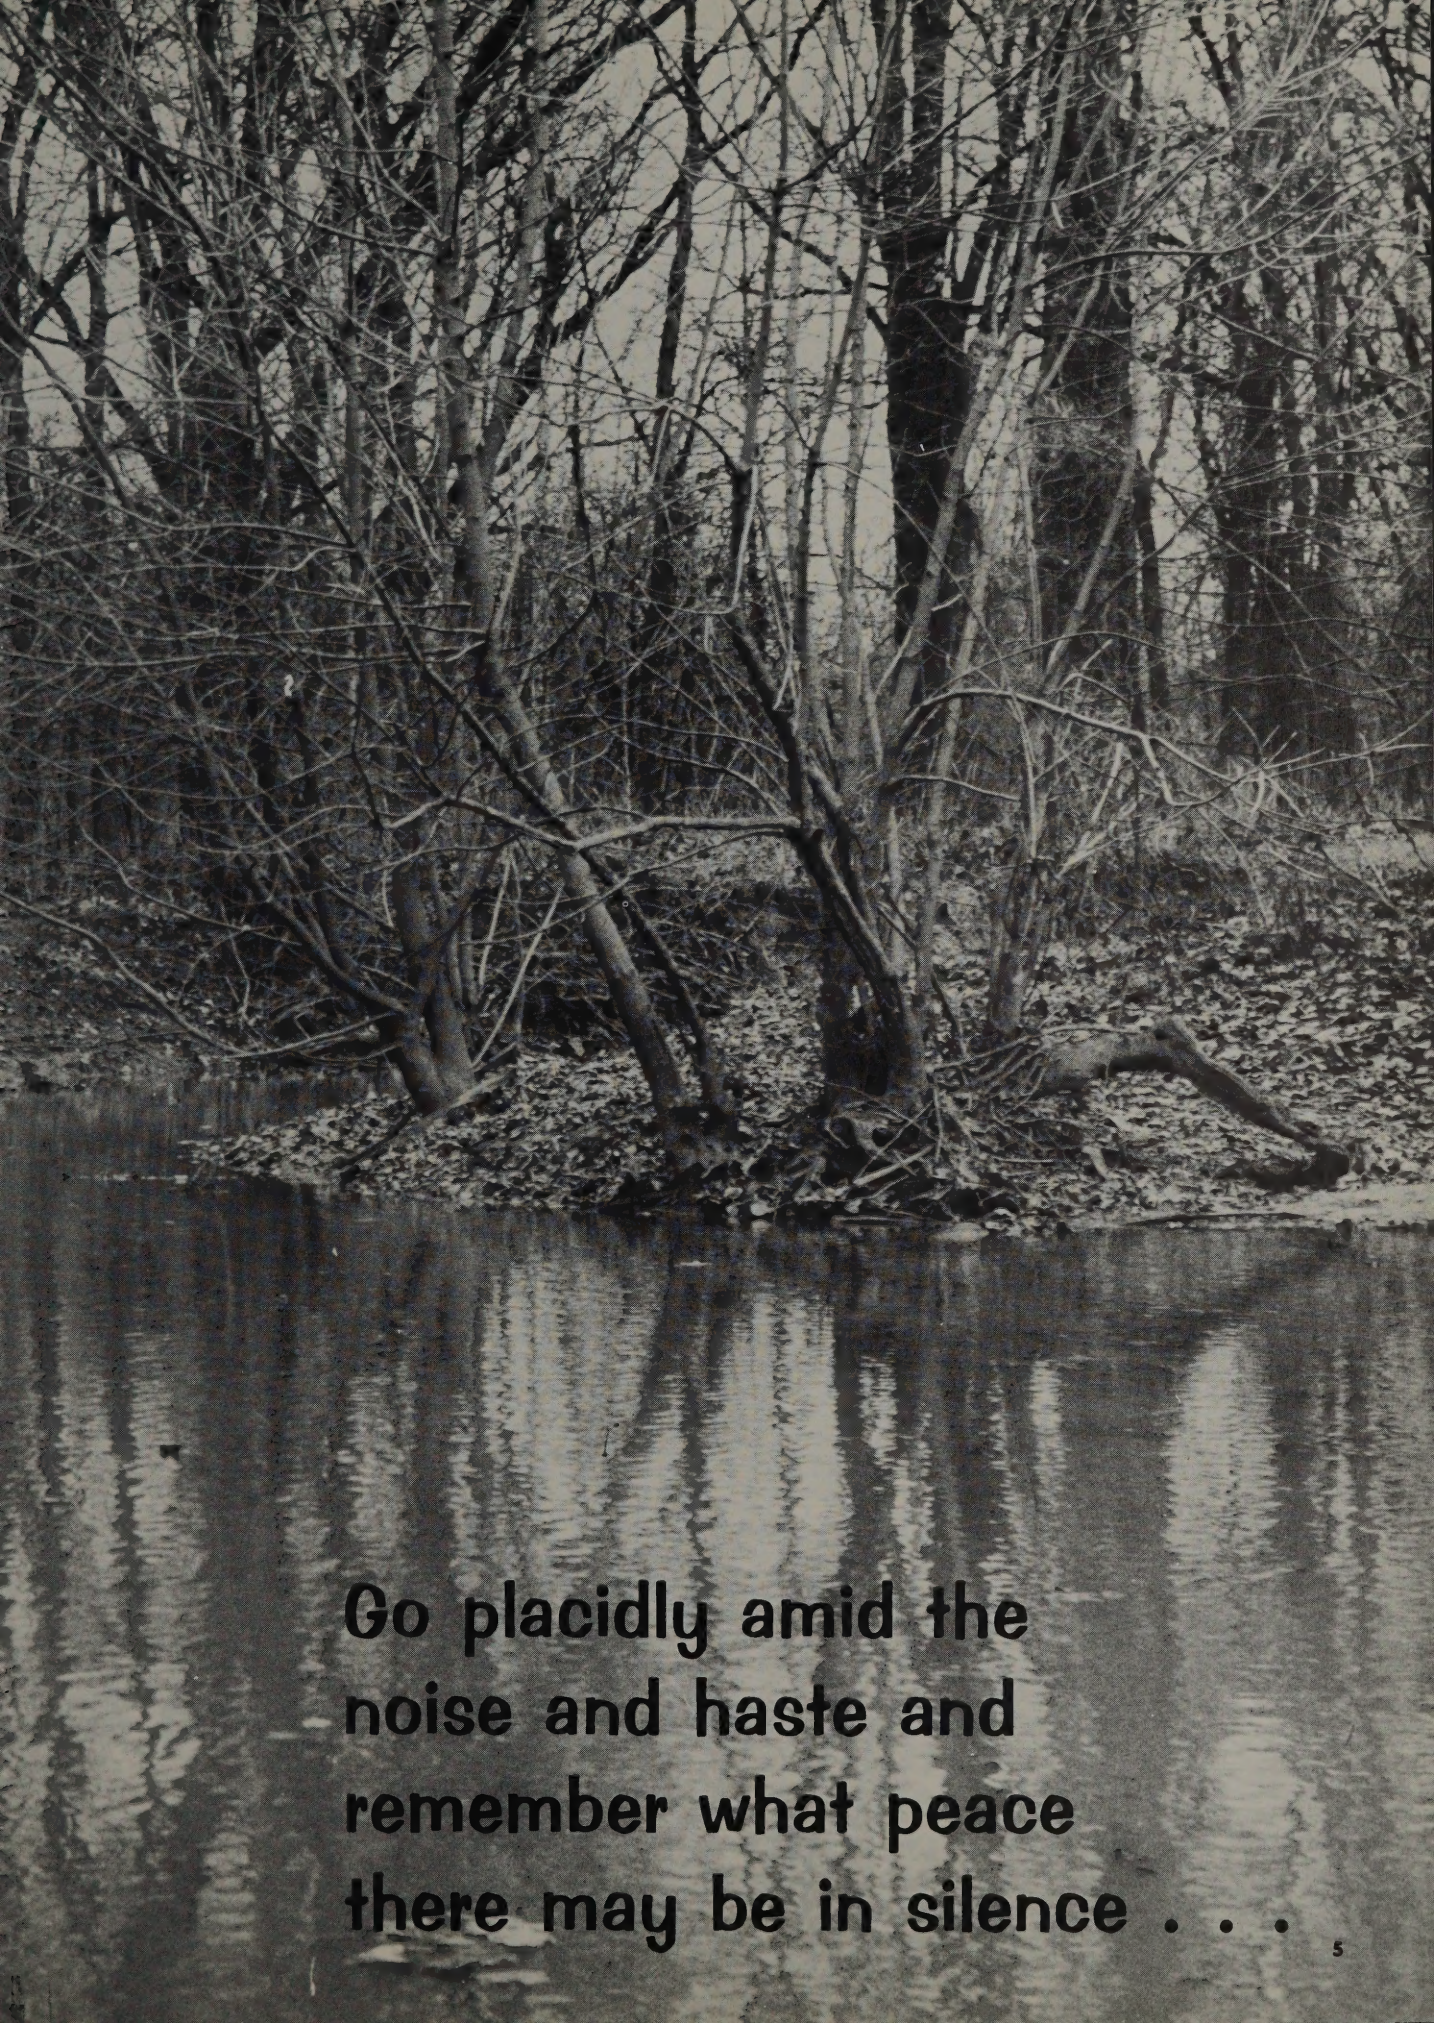
Somewhere...

toledo hospital school of nursing

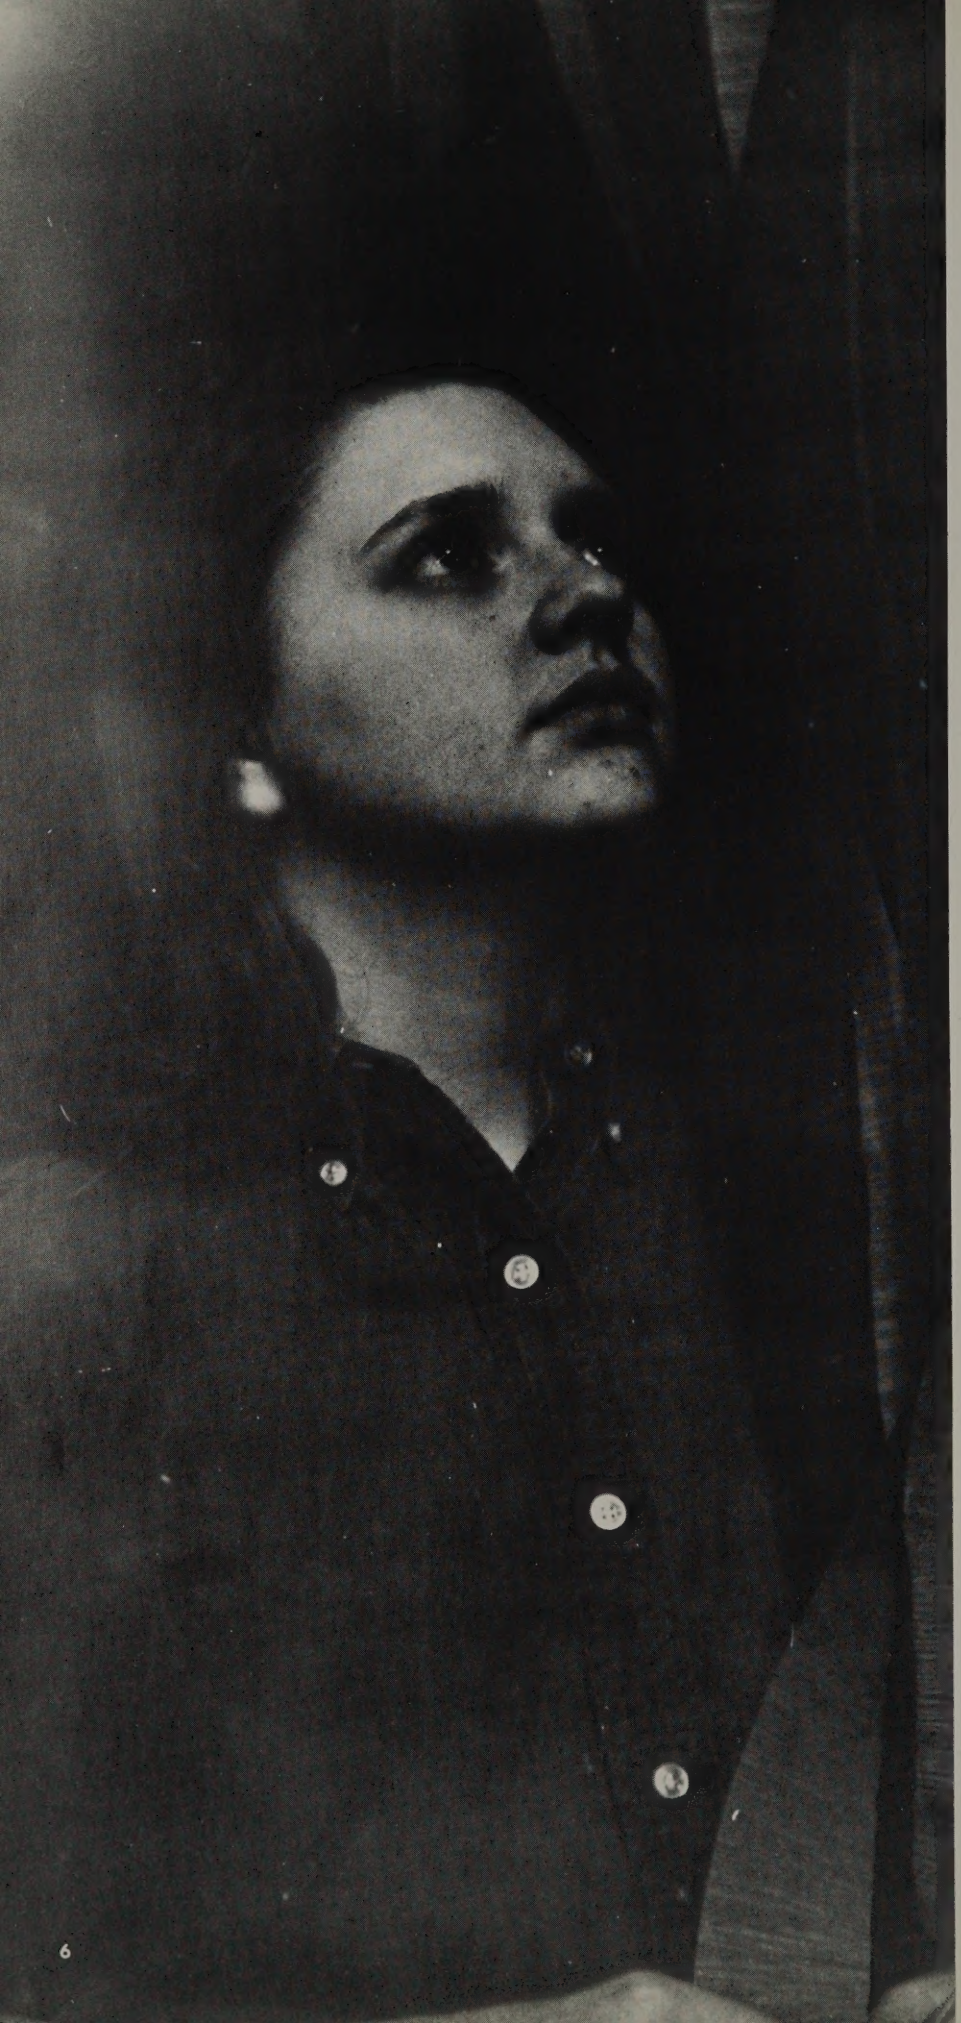
white cap 1971 toledo, ohio

EXIT

In the measure to which
I think and speak not
from my own individual
conviction, but simply
repeating what "is said"
and "is thought," my life
ceases to be mine, I cease
to be the supremely
individual person that
I am, and I act
on society's account . . .

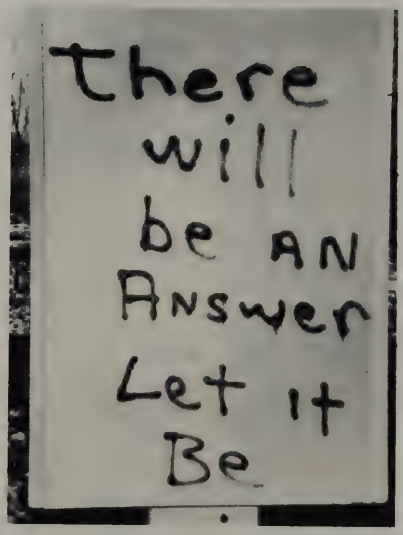


Go placidly amid the
noise and haste and
remember what peace
there may be in silence . . .

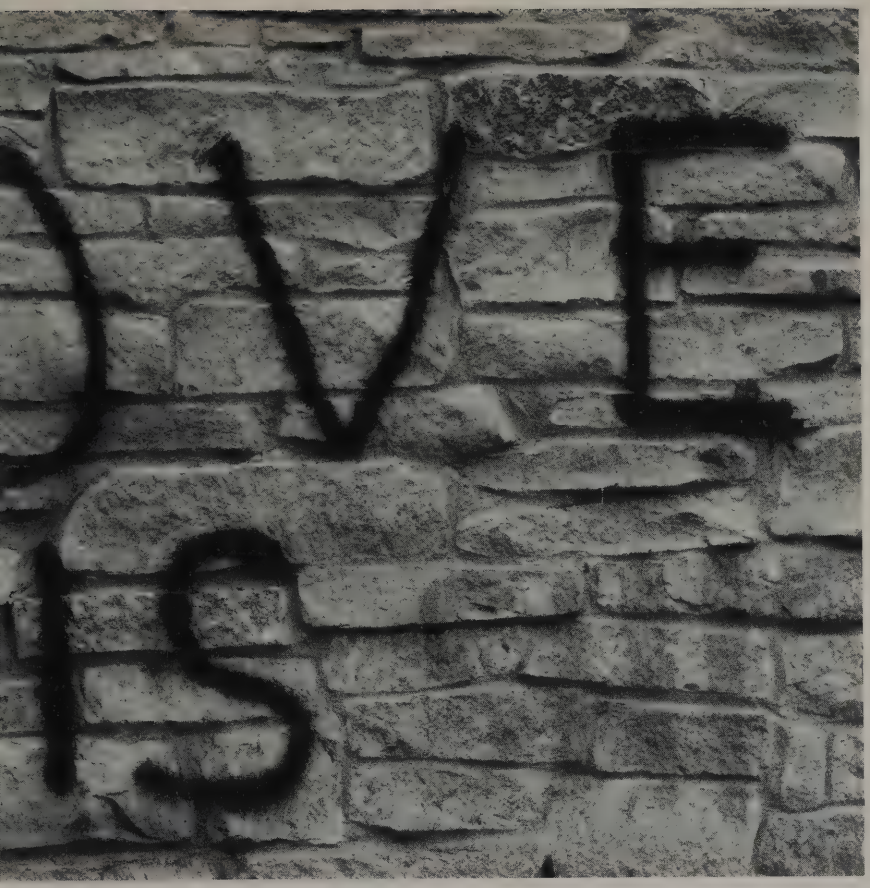


A revelation will occur to you . . .
a revelation higher than
your most exalted dreams.

Speak your truth
quietly and clearly;
and listen to others;
They too have their story.



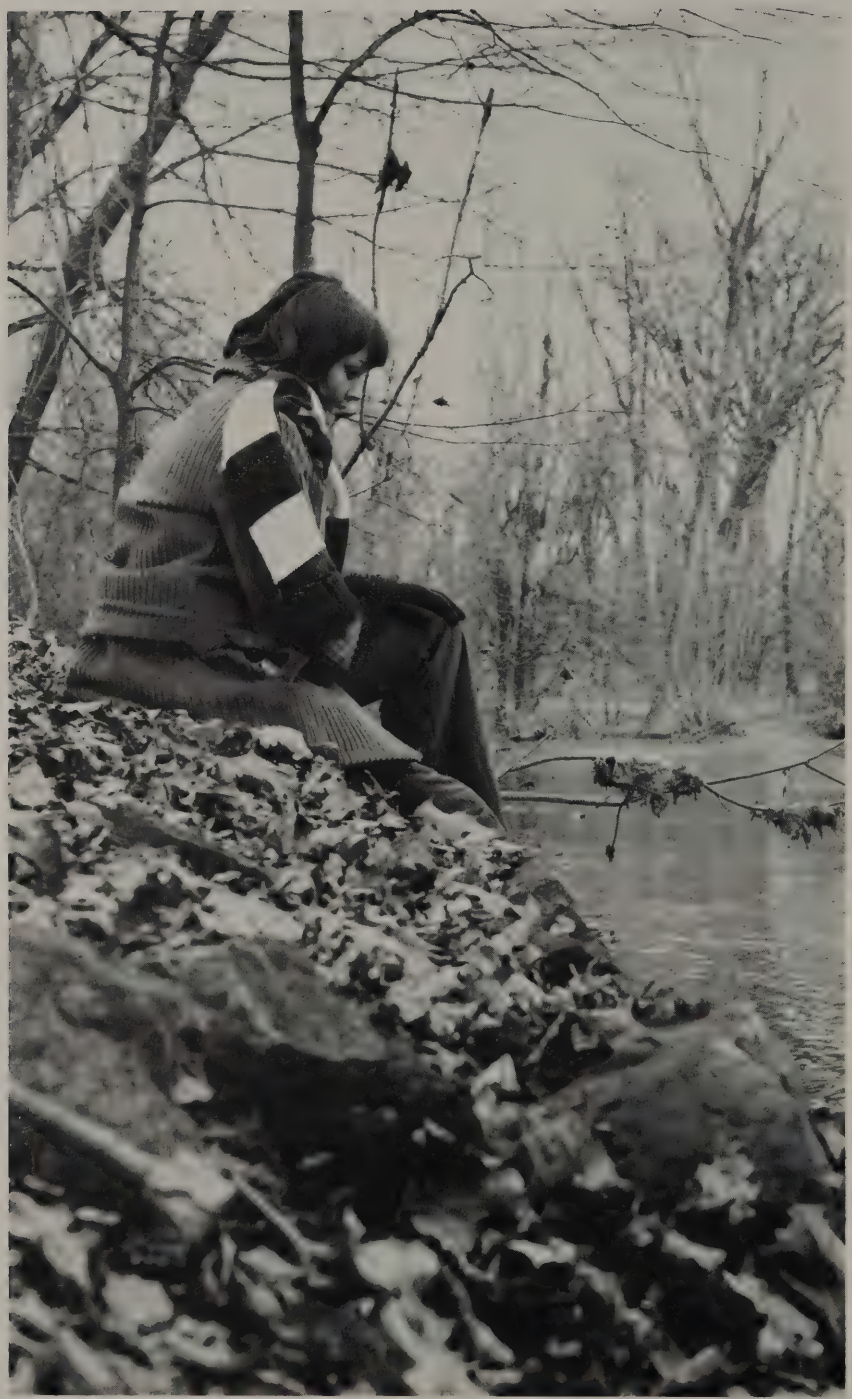
It is only
important
to love the
world . . .
to regard the
world and
ourselves
and all beings
with love,
admiration,
and respect.

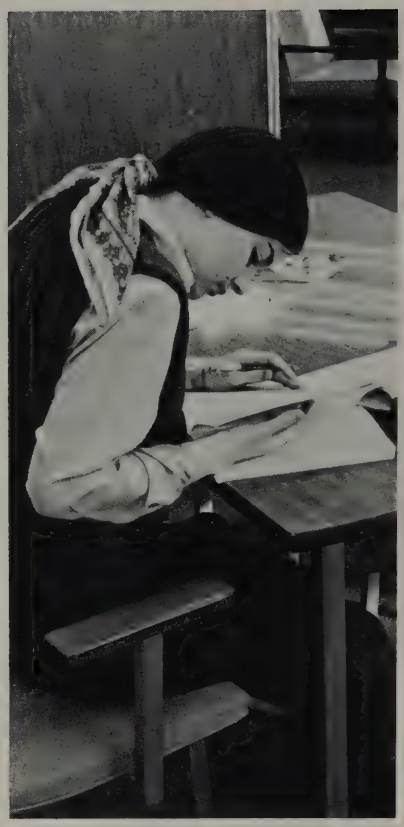


Lonely . . .
Not alone,
but lonely.

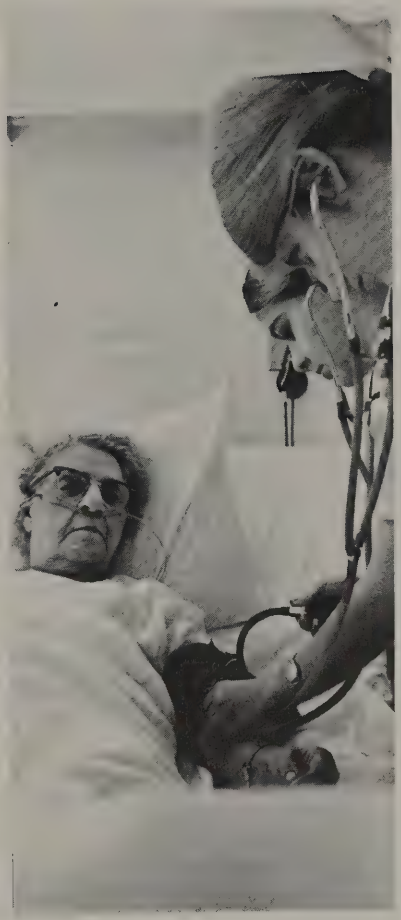
Wondering . . .
About those I love —
If they're warm and happy.
If perhaps they're thinking of me.

Nothing in life is to be feared.





It is only to be understood.



DONE
IT
THIS
WAY!!

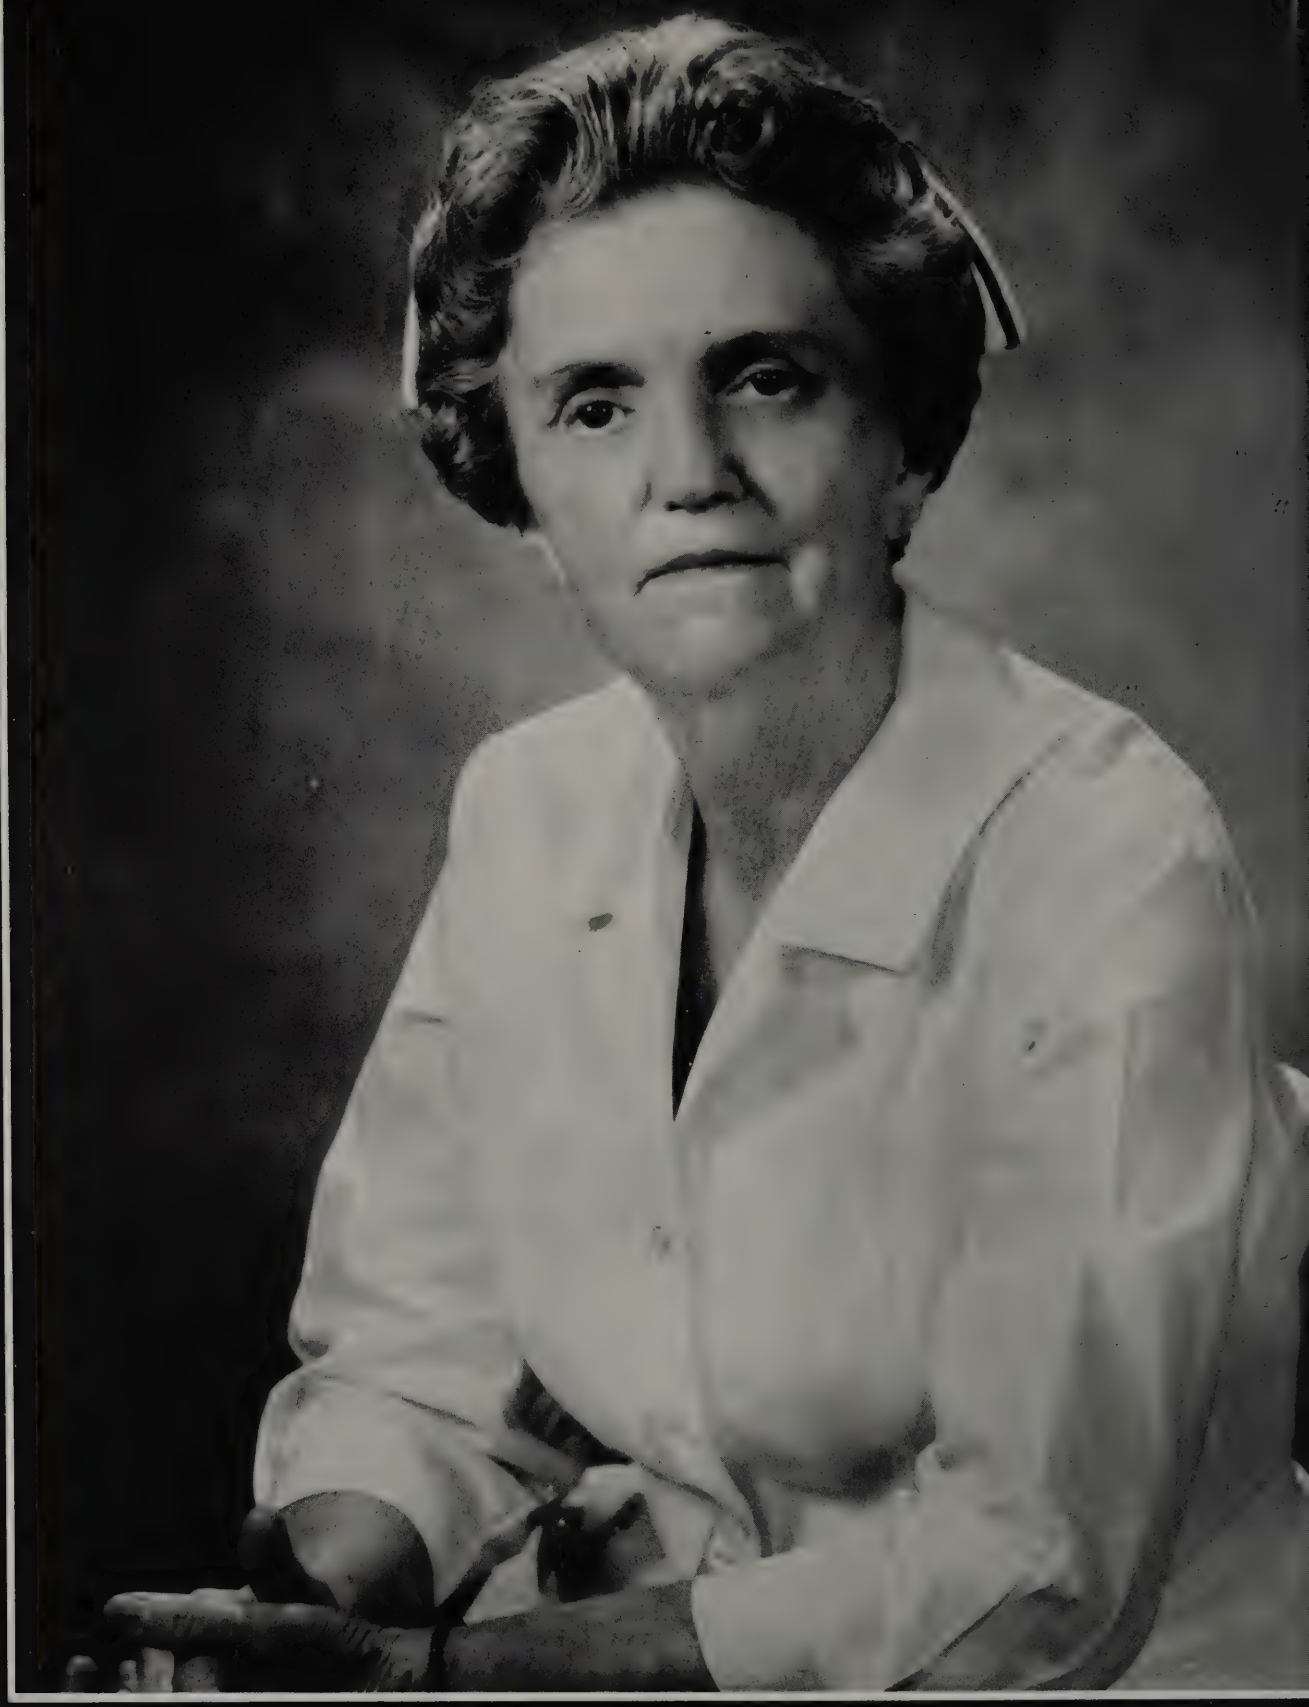
HI PROBIES!
WELCOME to the
4th floor
DAISY
HILL
FARM!
CROXTON
HOUSE

With all its sham,
drudgery, and broken
dreams it is
still a beautiful
world. Be careful.
Strive to be happy.

Friendship: It's a happy
feeling you get
when you are laughing
or sharing a secret.

Those who bring sunshine to the lives of others cannot keep it from themselves.

The future does not
belong to those who
are content with today —
Rather it will belong
to those who can blend
vision, reason, and courage
in a personal commitment.



Edna Elizabeth Sharritt

We dedicate our yearbook to a woman who is herself dedicated

With deep honor and respect we dedicate this book to you Miss Sharritt. Through guidance and inspiration you have helped us to look within ourselves and have pushed us further along the road to maturity. Your calm resolution and your perspective of life have given us understanding, along with a sense of obligation to ourselves and to our fellow man. The 1971 White Cap is only the tangible embodying the intangible - our admiration. We, the student body of Toledo Hospital School of Nursing, thank you for being the type of person of whom it is said: "Blessed is the man who digs a well from which others may draw faith."

Miss Sharritt at Toledo Hospital for 24 years

Edna Sharritt and her twin sister, Edith Caroline, were born in Phoneton, Ohio, near Dayton. Miss Sharritt was graduated in 1921 from Grandview High School in a Columbus suburb and from Grant Hospital in Columbus in 1924.

She went on to staff nursing at Mt. Sinai Hospital in New York City, where she then taught students in the operating room, and received a B.S. degree in nursing supervision from Teachers' College, Columbia University in 1939. Miss Sharritt was assistant director of nursing at Toledo Hospital from 1939 to 1942.

The war years, 1942 to 1946 found Miss Sharritt in the U.S. Army Nurse Corps. She was a recruitment nurse in Ohio before her appointment as chief nurse of the 238th General Hospital in France and Belgium. She entered as a first lieutenant and was promoted to captain and then to major.

After receiving a master's degree in administration in 1947 at Columbia University, she became Toledo Hospital's Director of Nursing.

A new world of discovery

Entered with a mixed feeling of hope + fear

New friends + new experiences —

With a momentum of continuous activity.

So goes STUDENT LIFE...

Banding Tea

Somewhere there's a place for us. For the past three years we found that place here at Croxton. We hold many fond memories from this place. As freshmen, there were many long, cold walks in the winter and refreshing walks in the spring to TU. As we stood in front of the mirror with our fresh new caps on, we knew it was all worth it.

The next thing we knew, we were standing in front of our mirrors looking at our black bands on our caps and our red carnations.

Now, as we look back over these three years we thank God for the knowledge we have gained, for the many dear, priceless friends we have made, and for all those who have helped us through these three years.

Somewhere, there's a place for us. Now, we must find the place. There are many, many opportunities. We must remember:

> Be strong and of good courage; be not afraid, neither be dismayed: for the Lord our God is with us whithersoever we goest.
>
> Joshua 1:9

Paul Simon and Art Garfunckle
said it well:

When you're weary, felling small,
When tears are in your eyes, I will dry
them all.
I'm on your side. When times get rough
And friends just can't be found,
Like a bridge over troubled waters -
I will lay me down.
Like a bridge over troubled waters -
I will lay me down.

"I" - a person who will try to
understand.

"I" - a NURSE.

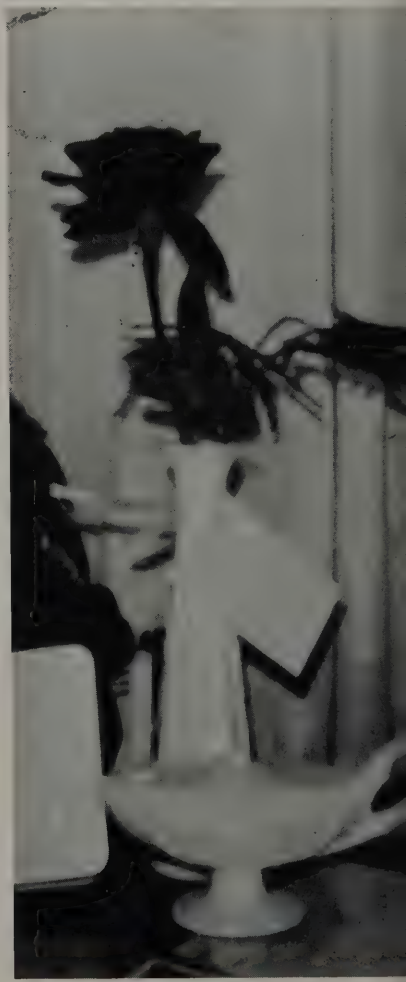
Arriving with stuffed animals, suitcases, and watermelons, the Probies were greeted by their instructors and big sisses. After an initiation by the Intermediates which included original skits and general harassment, the Probies were promoted to "Freshmen."

New Freshmen Arrive September 16



Capping December 3, 1970

Our freshmen were formally accepted into professional nursing this night. Miss Sharritt's main thought throughout her address was, "Are we worthy to serve the suffering?" which applied not only to freshmen, but to all student nurses.

Nurses' Christian Fellowship

Reaching the nursing community for Christ is the aim of the Nurses Christian Fellowship. NCF relates the gospel of Christ to the personal and professional lives of nurses in meaningful, contemporary terms. It's purposes include evangelism, Christian growth, and missions.

Weekly Bible studies have been held at Croxton, but we didn't officially become a part of NCF until December, 1970, when we received our charter. Throughout the year, we have enjoyed the presentations of several missionaries. Girls have attended the week long camp at Camp Li Lo Li near Salamanca, New York (held each June) and the weekend conference at Mill Lake, Michigan (held each spring and fall). Through these things, we are better able to give total patient care with sensitivity to the patient's spiritual needs.

Look to this day!
For it is life,
the very life of life.
In its brief course
lie all the varieties and
realities of your existence:
The bliss of growth;
The glory of action;
The splendor of beauty;
For yesterday
is already a dream,
and tomorrow
is only a vision;
But today, well lived,
makes every yesterday
a dream of happiness,
and every tomorrow
a vision of hope.
